### Sports Week - Penalty Shootout Competition

Dear Parent/Carer,

On Friday 5<sup>th</sup> July, during sports week, Kidderminster Harriers Community Trust will be holding a football penalty shootout competition for the children at Chawson.

Each child from Reception - Year 4 is invited to take 5 penalties against the Harriers coaches and each participant will receive a certificate. The top scorer from each year group receives a medal and will take part in the school final taking place in the afternoon. The school champion will be invited to compete in the Grand Final against other school champions in July.

The annual school penalty competition has been established for over 20 years. It has proved an enjoyable and popular event for children and schools. Any proceeds from the event are divided between the school and trust. Kidderminster Harriers Community Trust are a not for profit charity aiming to encourage more people to play and watch football. They provide a range of sports activities for schools and the local community.

The entry fee for the competition is £1. This payment is to be handed to your class teacher on Monday 1<sup>st</sup> July 2024. If you would like your child to take part on the day, please return the slip below to your class teacher to express your interest.

Thanks for your support.

Miss Cullen
