June 2023

Dear Parents and Carers,

Chawson Pre-school

As members of the Chawson community you will have seen our new pre-school grow from strength to strength over the past 2 years since opening. We are very proud of the provision we provide and have loved welcoming pre-school children into Chawson. We currently have over 50 pre-school children on roll at Chawson.

Due to our popularity we have needed to amend our admissions policy so that **from September 2023 we will only be accepting children in their pre-school year** (i.e. the year before they start school in Reception). While this may disappoint some families counting down the days until their children turn three and can put on their Chawson uniform, we know this is the best decision to enable all local pre-school children that want to join us to be able to do so. This focus on children's pre-school year will enable us to continue to prepare children to be happy, confident and school-ready. The pre-school year is precious and we know we offer something unique in our teacher-led pre-school as part of our wonderful wider school.

September 2023 also sees the opening of our new purpose-built Pre-school building and we cannot wait to share this with you!

Further details can be found in our admissions policy on our website

Yours Sincerely
