Children in Need 2022

Dear Parents/Carers,

At Chawson, we are once again very excited to be celebrating Children in Need this year. On **Friday 18th November** we will be raising money for this brilliant cause that can truly change young lives.

This year, we will be asking children to take part in a **game-a-thon** during the day. We would like children to bring in their favourite game from home and play it with their friends throughout the day. Whether it's Snakes and Ladders, Uno or Connect Four, we cannot wait for the children to have fun and develop their problem-solving skills!

We ask that children bring their game into school in a named bag and there will be no portable electronic consoles allowed in school. Your child will also be responsible for looking after their game whilst it is in school.

Children are also invited to come to school dressed in their own clothes with the theme of **SPOTacular**. Your child could wear a spotty dress, t-shirt or headband. Don't forget the face paint!

We would really appreciate your donations for this wonderful cause and just like last year we will be collecting cashless donations.

Yours Sincerely
