October 2022

Dear Parents/Carers,

We are pleased to let you know that we will be having a whole school 'Arts Week' from 1st to the 4th November where we will work together to celebrate 'The Arts'.

Our theme for the week is 'Belonging in Britain' and all children will spend the week getting creative and immersing themselves in a range of activities involving music, art, dance, drama and poetry.

We have secured a number of external visitors for the week, including willow weaving specialists and professional dance teachers who will be leading workshops for each class. In class, children will be having music workshops and exploring poetry and drama.

We are asking for a voluntary contribution of £3 for the week which has been set up on Parent Pay to allow us to fund the workshops.

Arts' Week provides the children with so many experiences, which we hope will inspire interests, create a passion for The Arts and most importantly, create memorable and fun experiences for our children.

Thank you for your support.

A handwritten signature in black ink, appearing to read 'N Peck'.

Miss Peck

Headteacher
