

Our Outcomes

We are really proud of how our children achieve from their own personal starting points.

“Pupils of all abilities make good progress.” Ofsted

Below is a summary of pupil outcomes at the end of academic Year 2022-23

	School July 2023	National 2022
Early Years Good Level of Development	65%	65%
Year 1 Phonics	79%	75%
Year 2 phonics	78%	87%

	School July 2023	National 2022
Year 2 Reading Expected +	62%	67%
Year 2 Writing Expected +	58%	58%
Year 2 Maths Expected +	62%	68%

The outcomes for our school leavers show the impact of our good teaching.

	Key Stage Baseline (Sept) 2021	School July 2022	National (Year 6 2023 Provisional)
Year 4 Reading Expected +	44%	78%	73%
Year 4 Writing Expected +	37%	52%	71%
Year 4 Maths Expected +	39%	69%	73%

During the academic years post-COVID we have focussed on supporting our children to narrow the gaps that developed during school closure. A high proportion of our children not only make expected progress but exceed this by making accelerated progress.

“Parents who responded to Parent View, Ofsted’s online questionnaire, said their children make good progress and are taught well in the school.”
