Year 4 Leavers

NP, sadly due to Covid, this year, as last year will not be the usual leavers procedure as Chawson is used to. All members and Teachers to offer some ideas on how to celebrate our 2021 Leavers.

Leavers assemblies, with great thought to be considered on how this is to go ahead and the best way forward with social distancing procedures in place.

NP, alongside a Gift ceremony, TS perhaps could we hold bubble events, although there is some uncertainty.

Guidance may change in line with road map.

Outdoor event with perhaps a Four Fest festival style event in bubbles, however something will surely be put in place to mark occasion.

Further Year 4 Leavers Ideas.

NP, Entire year photo, sadly may not be possible

Hoodie Option for year 4 available, however this year would be available for parents to buy.
