

How well do you know Droitwich Spa?

We need YOUR help.

Droitwich Heritage Centre is bidding to develop an exciting mobile phone App based around our Town's most interesting features.

Users will walk around the town using an interactive map and find out more about our history and heritage through augmented reality experiences, photos, videos, fun interactive quizzes and other exciting elements.

It will be great for families, being fun and educational, and will be a fantastic way of introducing your friends to our fascinating town. It will help people to enjoy the benefits of being outside and our local businesses by attracting people to the town centre.

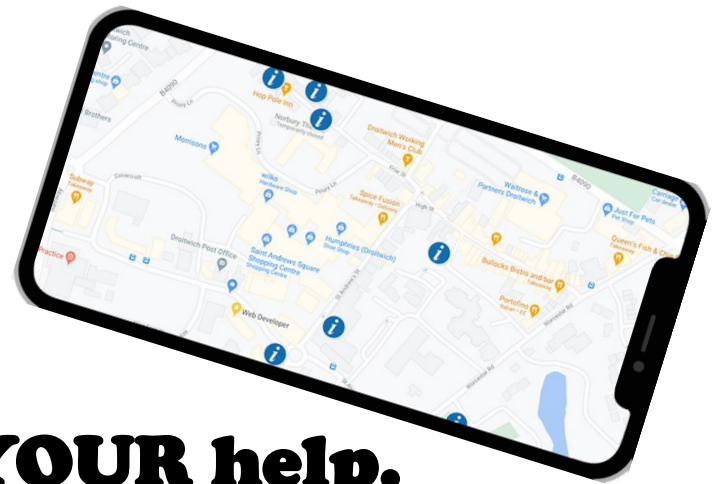

What places and ideas would YOU like to see included?

Please fill in our survey at www.surveymonkey.co.uk/r/Y39XVNR or search Heritage Trail App Survey

Email, write, or phone us or contact us on Facebook with your comments and ideas.
