

January 2023

Dear Parents and Carers,

Just like at home, January's arrival encourages New Year's resolutions. Over the next two terms we will be putting together a **sustainable travel plan**. This will allow us to review travel and road safety around our site with the ultimate aim of reducing traffic and making the school a safer place to travel to. Sustainable travel also helps to keep children fit and healthy too - bonus!

We are excited about the initiatives we have planned. We'll be having road safety talks for all children, pedestrian training, be bright be seen initiatives with high viz items shared, and spot prizes for scooting or biking to school.

You can start now by picking one of these simple changes:

- Park a road further away and walk the last bit
- Have one day a week where you walk, bike or scoot to or from school
- Share a car with a friend

Keep an eye on our newsletter for regular updates on how we're progressing.

I know you'll agree that this is a much-needed focus around our easily congested site.

Thank you in advance for your support and engagement.

A handwritten signature in black ink that reads 'N Peck'.
